

Schedule of Events 2024

Ranger-supervised Workdays

The week before each workday, FoS Officers undertake a Risk Assessment walk. If you spot any problems in the meantime, please let one of the committee members know.

Sue's Litter Team work days: all on Wednesdays.

Sue takes regular walks around the district, checking for fly-tipping hotspots and general littering. Depending on what she finds, and after discussion with the S13 Group, a plan of action is agreed. Sue then organises the necessary tasks with her team, as well as making sure that equipment is provided. She also arranges for the collected rubbish to be taken away as soon as possible.

Flight of Steps Project September 14th (1pm to 3pm)

For some time now it has been our intention to build a flight of steps down from the Small Glade into the Western Grassland. Finally, the day has arrived! It will be a collaboration between FoS, Handsworth Roadhogs, S13-Keep it Clean Group, and the SCC Rangers.

We will need as many willing hands as possible – so if you are feeling strong, come along!

The equipment and materials will be supplied by the Rangers, who will also oversee the project.

Our meeting point will be the Bramley Avenue Access Gate (SK 40813 85708).

N.B. Please wear suitable clothing, including appropriate footwear and strong gloves.
